## Resolution of Support for Tobacco-Free Parks in Pitt County

WHEREAS, our parks are established to promote healthy activities and community wellness; especially for children;

WHEREAS, several parks in Pitt County share facilities with, or are located adjacent to public schools, which by law, have 100% tobacco-free campuses;

WHEREAS, according to the Centers for Disease Control and Prevention (CDC), tobacco use and secondhand smoke exposure are leading preventable causes of illness and premature death in Pitt County, in North Carolina and our nation;<sup>1</sup>

WHEREAS, research indicates that during active smoking, outdoor levels of secondhand smoke may be as high as indoor levels and may pose a health risk for people in proximity to the smoker;<sup>2</sup>

WHEREAS, children learn by modeling adult behavior and benefit by having positive role models and from positive reinforcement of healthy lifestyles;

WHEREAS, cigarette and tobacco litter is the number one item littered in our parks and creates a health and safety hazard to both small children and wildlife, and distracts from the natural beauty of the environment;

WHEREAS, the United States Food and Drug Administration (FDA) has stated that an analysis of electronic cigarettes or "e-cigarette" samples indicates that they contain not only nicotine but also detectable levels of known carcinogens and toxic chemicals;

WHEREAS, on January 2, 2010, "An Act To Prohibit Smoking In Certain Public Places And Certain Places Of Employment," North Carolina Session Law 2009-27, became effective, authorizing local governments to adopt and enforce ordinances "that are more restrictive than State law and that apply in local government buildings, on local government grounds, in local vehicles, or in public places";

WHEREAS, the Mission of Pitt County Public Health is to "Protect, Promote and Assure the Health of all People in Pitt County", and the Board of Health has the authority under NC General Statute 130A-39 to adopt rules necessary for that purpose; and these rules apply to the County and all the municipalities within Pitt County;

THEREFORE, be it resolved, that The Village of Simpson supports the adoption of a Public Health Rule to prohibit use of all tobacco products, including e-cigarettes in all public parks located within Pitt County.
